BIBLIOGRAPHY

Ancient Chinese sources are listed by book title according to the convention in Chinese-language literature. The exact author or date of many is unknown. Except those for which page numbers or paragraph numbers are cited in the notes, editions are not cited, since too many exist. Selected translations are provided in square brackets.

All other sources are listed by author. In primary sources, the author's name is followed by the book title; in secondary sources, by the date, either of initial publication or of the edition cited.
